WORK EXPERIENCE

Freight Handler - Walmart, Gordonsville Virginia

04/2024 - present

- Efficiently pulled orders for delivery to Walmart stores.
- Operated heavy equipment to ensure safe and timely delivery.

Cloud Support Associate (Big Data) - Amazon, Dallas Texas (Remote)

05/2022 - 10/2022

- Worked to troubleshoot customer issues related to Big Data cloud offerings, focusing on ETL services like Glue, Athena, and MWAA.
- Utilized Python, SQL, and cloud knowledge to assist clients in data analytics workflows.

Course Materials Manager – UND Bookstore, Grand Forks North Dakota

11/2020 - 10/2021

- Promoted from temp order filler to this full-time management position due to my attention to detail along with my process improvements in the shipping area.
- Coordinated with professors in the selection of course materials.
- Utilized previous data with current enrollment trends to purchase inventory while reducing overstock.

ESL English Teacher – Abie International, Zhengzhou China

02/2018 - 03/2020

- Created and delivered exciting classes for young learners in an international setting.
- Presented 'demo' classes to increase new student enrollment.
- Created course and crafting materials for students using Adobe Creative Suite

Store Manager – Cell Phone Zone, Newport News

03/2012 - 12/2017

- Cross trained a small team in the repair of mobile devices and delivering customer service.
- Managed inventory and payroll for multiple locations
